 - a) Where a unit has been constructed with an adaptable entrance, upon the request of a disabled person who is purchasing or will reside in the dwelling unit, an accessible entrance shall be installed.
 - b) To this end, the builder of restricted units shall deposit funds within the Borough of Washington's Affordable Housing Trust Fund sufficient to install accessible entrances in 10 percent of the affordable units that have been constructed with adaptable entrances.
 - c) The funds deposited under paragraph 6)b) above shall be used by the Borough of Washington for the sole purpose of making the adaptable entrance of an affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.
 - d) The developer of the restricted units shall submit a design plan and cost estimate to the Construction Official of the Borough of Washington for the conversion of adaptable to accessible entrances.
 - e) Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free SubCode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made to the Borough's Affordable Housing Trust Fund in care of the Borough Treasurer who shall ensure that the funds are deposited into the Affordable Housing Trust Fund and appropriately earmarked.

- b. In inclusionary developments, very low-, low- and moderate-income units shall have access to all of the same common elements and facilities as the market units.

4. Maximum Rents and Sales Prices:

- a. In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC, utilizing the most recently published regional weighted average of the uncapped Section 8 income limits published by HUD and using the calculation set forth below. Income limits for all affordable units that are created in the Borough for which income limits are not already established through a federal program exempted from the UHAC pursuant to N.J.A.C. 5:80-26.1 shall be updated by the Borough annually within 30 days of the publication of determinations of median income by the Department of Housing and Urban Development ("HUD") as follows:
 - 1) Regional income limits shall be established for the region within which the Borough is located based on the median income by household size, which shall be established by a regional weighted average of uncapped Section 8 income

limits published by HUD. To compute this regional income limit, the HUD determination of median county income for a family of four is multiplied by the estimated households within the county according to the most recent decennial Census. The resulting product for each county within a housing region is summed. The sum is divided by the estimated total households from the most recent decennial Census in the Borough's housing region. This quotient represents the original weighted average of median income for a household of four. The income limit for a moderate-income unit for a household of four shall be 80 percent of the regional weighted average median income for a family of four. The income limit for a low-income unit for a household of four shall be 50 percent of the HUD determination of the regional weighted average median income for a family of four. The income limit for a very low-income unit for a household of four shall be 30 percent of the regional weighted average median income for a family of four. These income limits shall be adjusted by household size based on multipliers used by HUD to adjust median income by household size. In no event shall the income limits be less than those for the previous year.

- 2) The income limits are the result of applying the percentages set forth in paragraph (i) above to HUD's determination of median income for the fiscal year 2019 and shall be utilized until the Borough updates the income limits after HUD has published revised determinations of median income for the next fiscal year.
 - 3) The Regional Asset Limit used in determining an applicant's eligibility for affordable housing pursuant to N.J.A.C. 5:80-26.16(b)(3) shall be calculated by the Borough annually by taking the percentage increase of the income limits calculated pursuant to paragraph (i) above over the previous year's income limits and applying the same percentage increase to the Regional Asset Limit from the prior year. In no event shall the Regional Asset Limit be less than that for the previous year.
 - 4) The resale prices of owner-occupied very low-, low- and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region determined pursuant to the above methodology. In no event shall the maximum resale price established by the administrative agent be lower than the last recorded purchase price.
 - 5) The rent levels of very-low-, low- and moderate-income units may be increased annually based on the percentage increase in the Housing Consumer Price Index for the Northeast Urban Area, upon its publication for the prior calendar year. This increase shall not exceed nine percent in any one year. Rents for units constructed pursuant to low income housing tax credit regulations shall be indexed pursuant to the regulations governing low income housing tax credits.
- b. The maximum rent for restricted rental units within each affordable development shall be affordable to households earning no more than 60 percent of median income, and the average rent for restricted rental units shall be affordable to households earning no more than 52 percent of median income.
 - c. The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both low-income and moderate-income units, provided that at least 13 percent of all low- and moderate-income rental units shall be affordable to very low-income households, which very low-income units shall be part of the low-income requirement.
 - d. The maximum sales price of restricted ownership units within each affordable development shall be affordable to households earning no more than 70 percent of median income, and each affordable development must achieve an affordability average

of 55 percent for restricted ownership units; in achieving this affordability average, moderate-income ownership units must be available for at least three different sales prices for each bedroom type, and low-income ownership units must be available for at least two different sales prices for each bedroom type.

- e. In determining the initial sales prices and rent levels for compliance with the affordability average requirements for restricted units other than assisted living facilities and age-restricted developments, the following standards shall be used:
 - 1) A studio shall be affordable to a one-person household;
 - 2) A one-bedroom unit shall be affordable to a one- and one-half-person household;
 - 3) A two-bedroom unit shall be affordable to a three-person household;
 - 4) A three-bedroom unit shall be affordable to a four and one-half person household; and
 - 5) A four-bedroom unit shall be affordable to a six-person household.
- f. In determining the initial sales prices and rents for compliance with the affordability average requirements for restricted units in assisted living facilities and age-restricted developments, the following standards shall be used:
 - 1) A studio shall be affordable to a one-person household;
 - 2) A one-bedroom unit shall be affordable to a one- and one-half-person household; and
 - 3) A two-bedroom unit shall be affordable to a two-person household or to two one-person households.
 - 4) The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the Federal Reserve H.15 rate of interest), taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 28 percent of the eligible monthly income of the appropriate size household as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
- g. The initial rent for a restricted rental unit shall be calculated so as not to exceed 30 percent of the eligible monthly income of the appropriate size household, including an allowance for tenant paid utilities, as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the rent shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
- h. The price of owner-occupied very low-, low- and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region. In no event shall the maximum resale price established by the Administrative Agent be lower than the last recorded purchase price.
- i. The rents of very low-, low- and moderate-income units may be increased annually based on the permitted percentage increase in the Housing Consumer Price Index for the Northeast Urban Area. This increase shall not exceed nine percent in any one year. Rent increases for units constructed pursuant to low- income housing tax credit regulations shall be indexed pursuant to the regulations governing low- income housing tax credits.

2. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit.
3. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the non-restricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
4. At the time of the initial sale of the unit, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obligating the purchaser (as well as the purchaser's heirs, successors and assigns) to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit
5. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to restricted ownership units.
6. A restricted ownership unit shall be required to obtain a Continuing Certificate of Occupancy or a certified statement from the Construction Official stating that the unit meets all Code standards upon the first transfer of title following the removal of the restrictions provided under N.J.A.C. 5:80-26.5(a), as may be amended and supplemented.

 4. The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of approved capital improvements. Eligible capital improvements shall be those that render the unit suitable for a larger household or the addition of a bathroom. See Section 13.

§94-87K Buyer Income Eligibility.

1. Buyer income eligibility for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that low-income ownership units shall be reserved for households with a gross household income less than or equal to 50 percent of median income and moderate-income ownership units shall be reserved for households with a gross household income less than 80 percent of median income.
2. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Borough Council, and subject to the Court's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit.
3. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.

2. With the exception of First Purchase Money Mortgages, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of the unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C.5:80-26.6(b).

Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. Applications shall be mailed to prospective applicants upon request.
9. In addition to other affirmative marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units in Washington Borough, and copies of the application forms, to the following entities: Fair Share Housing Center, the New Jersey State Conference of the NAACP, the New Brunswick, Plainfield Area, Perth Amboy, Warren/Sussex, and Metuchen/Edison branches of the NAACP, the Latino Action Network, NORWESCAP, the Supportive Housing Association, and the Central Jersey Housing Resource Center.

10. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner.

§94-87U Enforcement of Affordable Housing Regulations.

1. Upon the occurrence of a breach of any of the regulations governing an affordable unit by an Owner, Developer or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recuperation of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
2. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action(s) against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - a. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is adjudged by the Court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
 - 1) A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - 2) In the case of an Owner who has rented a very low-, low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough of Washington Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - 3) In the case of an Owner who has rented a very low-, low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
 - b. The municipality may file a court action in the Superior Court seeking a judgment that would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- or moderate-income unit.
 - 1) The judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the very low-, low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.
 - 2) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the very low-, low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse

the municipality in full as aforesaid, the violating Owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.

- 3) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the very low-, low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- 4) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the very low-, low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the very low-, low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- 5) Failure of the very low-, low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the very low-, low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- 6) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

§94-87V Appeals.

17. Appeals from all decisions of an Administrative Agent appointed pursuant to this Ordinance shall be filed in writing with the Court.

SECTION 2. At least three copies of said full Ordinance are on file in the Office of the Municipal Clerk for public examination and acquisition. Copies are available for inspection or acquisition during regular weekday working hours and arrangements have been made for the publication of said proposed Ordinance in pamphlet or other similar form which will be available for purchase from the Borough Clerk.

SECTION 3. This ordinance shall take effect upon final passage and publication according to law.

SECTION 4. The Borough Clerk is hereby directed to give notice at least ten days prior to the hearing on the adoption of this Ordinance to the County Planning Board, and to all others entitled thereto pursuant to the provisions of N.J.S.A. 40:550-15. SECTION 5. All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

SECTION 6. If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions.

ORDINANCE 2019-25

AN ORDINANCE OF THE BOROUGH OF WASHINGTON, COUNTY OF WARREN, STATE OF NEW JERSEY, REPEALING CHAPTER 94 ARTICLE IX “HOUSING OFFICER” AND CHAPTER 94 ARTICLE X “DEVELOPMENT FEES” AND REPLACING CHAPTER 94, ARTICLE IX OF THE CODE OF THE BOROUGH OF WASHINGTON

WHEREAS, the Borough of Washington filed a Declaratory Judgment Action in the Superior Court of New Jersey, Warren County, captioned IMO Borough of Washington, Docket No. WRN-L-230-15 (the “Declaratory Judgment Action”), in furtherance of the Supreme Court’s March 10, 2015, decision In re Adoption of N.J.A.C. 5:96 & 5:97 by N.J. Council on Affordable Housing, 221 N.J. 1 (2015) (the “Supreme Court Decision”); and

WHEREAS, a Fairness Hearing was held on December 20, 2018, at which settlement agreements between the Borough and Fair Share Housing Center (“FSHC”) and Washington Station Venture, LP and Washington Venture Investment, Ltd. (collectively, the “Washington Venture Entities”) were approved, and said approval was later memorialized by an Order entered by the Court on January 23, 2019; and

WHEREAS, the Settlement Agreement, Court’s approval, and adoption of the Housing Plan Element and Fair Share Plan require certain changes to the Township’s ordinances to address compliance issues.

NOW, THEREFORE, BE IT ORDAINED by the Borough Council of the Borough of Washington, Warren County, New Jersey, that Chapter 94, Article IX, entitled “Housing Officer” and Article X, entitled “Development Fees,” of the Code of the Borough of Washington shall be repealed in its entirety and replaced with the following:

Section 1. Chapter 94 Article IX Development Fees

94-91. Purpose

A. In Holmdel Builder's Association v. Holmdel Township, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985, N.J.S.A. 52:27d-301 *et seq.*, and the State Constitution, subject to the adoption of Rules by the Council on Affordable Housing (COAH).

B. Pursuant to P.L. 2008, c. 46, Section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH was authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that were under the jurisdiction of COAH and that are now before a court of competent jurisdiction and have a Court-approved Spending Plan may retain fees collected from non-residential development.

C. This Chapter establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with COAH's regulations developed in response to P.L. 2008, c. 46, Sections 8 and 32-38 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7). Fees collected pursuant to this Chapter shall be used for the sole purpose of providing low- and moderate-income housing in accordance with a Court-approved Spending Plan.

94-92. Basic Requirements

A. This Ordinance shall not be effective until approved by the Court.

B. The Borough of Washington shall not spend development fees until the Court has approved a plan for spending such fees (Spending Plan).

94-93. Definitions

The following terms, as used in this Chapter, shall have the following meanings:

"COAH" or the "Council" means the New Jersey Council on Affordable Housing established under the Fair Housing Act.

"Construction Official" means the construction office or his/her designee.

"Development fee" means money paid by a developer for the improvement of property as permitted at N.J.A.C. 5:97-8.3.

"Developer" means the legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

"Equalized assessed value" means the assessed value of a property divided by the current average ratio of assessed to true value for the municipality in which the property is situated, as determined in accordance with Sections 1, 5, and 6 of P.L. 1973, c.123 (C.54:1-35a through C.54:1-35c).

"Green building strategies" means those strategies that minimize the impact of development on the environment, and enhance the health, safety and well-being of residents by producing durable, low-

“Borough” means the Borough of Washington

94-94. Residential Development Fees

A. Imposition of Fees

(1) Within the Borough of Washington, all residential developers, except for developers of the types of developments specifically exempted below and developers of developments that include affordable housing, shall pay a fee of one and a half percent (1.5%) of the equalized assessed value for all new residential development provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.

(2) When an increase in residential density is permitted pursuant to a “d” variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a “bonus” development fee of six percent (6%) percent of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

(3) Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.

B. Eligible Exactions, Ineligible Exactions and Exemptions for Residential Developments

(1) Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of on-site construction of affordable units shall be exempt from development fees.

(2) Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The fee percentage shall be vested on the date that the building permit is issued.

(3) Developers of educational facilities shall be exempt from paying a development fee.

(4) Developers of houses of worship and other uses that are entitled to exemption from New Jersey real property tax shall be exempt from the payment of a development fee, provided that such development does not result in the construction of any additional housing or residential units, including assisted living and continuing care retirement communities.

(5) A development shall be exempt from an increase in the percentage of the development fee, provided the building permit was issued prior to the effective date of this article, or prior to any subsequent ordinance increasing the fee percentage. The developer shall have the right to pay the fee based on the percentage in effect on the date the building permit was issued.

(6) Any development or improvement to structures of owner-occupied property in which there is located an affordable accessory residence. This exemption shall only apply to development or improvements to the property during the period of affordability controls.

(7) The construction of a new accessory building or other structure on the same lot as the principal building shall be exempt from the imposition of development fees if the assessed value of the structure is determined to be less than \$100,000.

94-95. Non-Residential Development Fees

A. Imposition of Fees

(1) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall pay a fee equal to two and one-half (2.5) percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.

(2) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall also pay a fee equal to two and one-half (2.5) percent of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.

(3) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and a half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure, i.e. land and improvements, and such calculation shall be made at the time a final Certificate of Occupancy is issued. If the calculation required under this Section results in a negative number, the non-residential development fee shall be zero.

(4) The nonresidential portion of a mixed-use inclusionary or market rate development shall be subject to the development fee of 2.5% unless otherwise exempted below.

B. Eligible Exactions, Ineligible Exactions and Exemptions for Non-residential Development

(1) The two and a half percent (2.5%) development fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within the existing footprint, reconstruction, renovations and repairs.

(2) Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption". Any exemption claimed by a developer shall be substantiated by that developer.

(3) A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final Certificate of Occupancy for the non-residential development, whichever is later.

(4) If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this Section within 45 days of the termination of the property tax

exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the Borough of Washington as a lien against the real property of the owner.

(5) Pursuant to P.L. 2009, c. 90 and P.L.2011, c. 122, the non-residential statewide development fee of two and one-half (2.5%) percent for non-residential development is suspended for all non-residential projects that received preliminary or final site plan approval subsequent to July 17, 2008 until July 1, 2013, provided that a permit for the construction of the building has been issued prior to January 1, 2015.

94-96. Collection Procedures

A. Upon the granting of a preliminary, final or other applicable approval for a development, the approving authority or entity shall notify or direct its staff to notify the Construction Official responsible for the issuance of a Construction Permit.

B. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF "State of New Jersey Non-Residential Development Certification/ Exemption" to be completed as per the instructions provided. The developer of a non-residential development shall complete Form N-RDF as per the instructions provided. The Construction Official shall verify the information submitted by the non-residential developer as per the instructions provided in the Form N-RDF. The Tax Assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.

C. The Construction Official responsible for the issuance of a Construction Permit shall notify the Borough Tax Assessor of the issuance of the first Construction Permit for a development which is subject to a development fee.

D. Within 90 days of receipt of such notification, the Borough Tax Assessor shall prepare an estimate of the equalized assessed value of the development based on the plans filed.

E. The Construction Official responsible for the issuance of a final Certificate of Occupancy shall notify the Borough Tax Assessor of any and all requests for the scheduling of a final inspection on a property which is subject to a development fee.

F. Within 10 business days of a request for the scheduling of a final inspection, the Borough Tax Assessor shall confirm or modify the previously estimated equalized assessed value of the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.

G. Should the Borough of Washington fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b. of Section 37 of P.L. 2008, c.46 (C.40:55D-8.6).

H. Except as provided in hereinabove, fifty percent (50%) of the initially calculated development fee shall be collected at the time of issuance of the Construction Permit. The remaining portion shall be collected at the time of issuance of the Certificate of Occupancy. The developer shall be responsible for paying the difference between the fee calculated at the time of issuance of the Construction Permit and that determined at the time of issuance of the Certificate of Occupancy.

I. Appeal of Development Fees

(1) A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest bearing escrow account by the Borough of Washington. Appeals from a determination of the Board may be made to the tax court in accordance with the provisions of the State Tax

Uniform Procedure Law, R.S. 54:48-1, *et seq.*, within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

(2) A developer may challenge non-residential development fees imposed by filing a challenge with the Director of the Division of Taxation. Pending a review and determination by the Director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest bearing escrow account by the Borough of Washington. Appeals from a determination of the Director may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1, *et seq.*, within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

94-97. Affordable Housing Trust Fund

A. There is hereby created a separate, interest-bearing Affordable Housing Trust Fund to be maintained by the Chief Financial Officer of the Borough of Washington for the purpose of depositing development fees collected from residential and non-residential developers and proceeds from the sale of units with extinguished controls.

C. The following additional funds shall be deposited in the Affordable Housing Trust Fund and shall at all times be identifiable by source and amount:

(1) Payments in lieu of on-site construction of a fraction of an affordable unit, where permitted by Ordinance or by Agreement with the Borough of Washington;

(2) Funds contributed by developers to make ten percent (10%) of the adaptable entrances in a townhouse or other multistory attached dwelling unit development accessible;

(3) Rental income from municipally operated units;

(4) Repayments from affordable housing program loans;

(5) Recapture funds;

(6) Proceeds from the sale of affordable units; and

(7) Any other funds collected in connection with Washington Borough's affordable housing program.

C. In the event of a failure by the Borough of Washington to comply with trust fund monitoring and reporting requirements or to submit accurate monitoring reports; or a failure to comply with the conditions of the judgment of compliance or a revocation of the judgment of compliance; or a failure to implement the approved Spending Plan and to expend funds within the applicable required time period as set forth in In re Tp. of Monroe, 442 N.J. Super. 565 (Law Div. 2015) (aff'd 442 N.J. Super. 563); or the expenditure of funds on activities not approved by the Court; or for other good cause demonstrating the unapproved use(s) of funds, the Court may authorize the State of New Jersey, Department of Community Affairs, Division of Local Government Services (LGS), to direct the manner in which the funds in the Affordable Housing Trust Fund shall be expended, provided that all such funds shall, to the extent practicable, be utilized for affordable housing programs within the Borough of Washington, or, if not practicable, then within the County or the Housing Region.

Any party may bring a motion before the Superior Court presenting evidence of such condition(s), and the Court may, after considering the evidence and providing the municipality a reasonable opportunity to respond and/or to remedy the non-compliant condition(s), and upon a finding of continuing and deliberate non-compliance, determine to authorize LGS to direct the expenditure of funds in the Trust Fund. The Court may also impose such other remedies as may be reasonable and appropriate to the circumstances.

D. Interest accrued in the Affordable Housing Trust Fund shall only be used to fund eligible affordable housing activities approved by the Court.

94-98. Use of Funds

A. The expenditure of all funds shall conform to a Spending Plan approved by the Court. Funds deposited in the Affordable Housing Trust Fund may be used for any activity approved by the Court to address the Borough of Washington's fair share obligation and may be set up as a grant or revolving loan program. Such activities include, but are not limited to: preservation or purchase of housing for the purpose of maintaining or implementing affordability controls; housing rehabilitation; new construction of affordable housing units and related costs; accessory apartments; a market to affordable program; Regional Housing Partnership programs; conversion of existing non-residential buildings to create new affordable units; green building strategies designed to be cost saving and in accordance with accepted national or State standards; purchase of land for affordable housing; improvement of land to be used for affordable housing; extensions or improvements of roads and infrastructure to affordable housing sites; financial assistance designed to increase affordability; administration necessary for implementation of the Housing Element and Fair Share Plan; and/or any other activity permitted by the Court and specified in the approved Spending Plan.

B. Funds shall not be expended to reimburse the Borough of Washington for past housing activities.

C. At least 30 percent of all development fees collected and interest earned on such fees shall be used to provide affordability assistance to low- and moderate-income households in affordable units included in the municipal Fair Share Plan. One-third of the affordability assistance portion of development fees collected shall be used to provide affordability assistance to those households earning 30 percent or less of the median income for Housing Region 2, in which Washington Borough is located.

(1) Affordability assistance programs may include down payment assistance, security deposit assistance, low interest loans, rental assistance, assistance with homeowners association or condominium fees and special assessments, and assistance with emergency repairs. The specific programs to be used for affordability assistance shall be identified and described within the Spending Plan.

(2) Affordability assistance to households earning 30 percent or less of median income may include buying down the cost of low or moderate income units in the municipal Fair Share Plan to make them affordable to households earning 30 percent or less of median income. The specific programs to be used for very low income affordability assistance shall be identified and described within the Spending Plan.

(3) Payments in lieu of constructing affordable housing units on site, if permitted by Ordinance or by Agreement with the Borough of Washington, and funds from the sale of units with extinguished controls shall be exempt from the affordability assistance requirement.

D. The Borough of Washington may contract with a private or public entity to administer any part of its Housing Element and Fair Share Plan, including its programs for affordability assistance.

E. No more than 20 percent of all revenues collected from development fees may be expended on administration, including, but not limited to, salaries and benefits for municipal employees or consultants' fees necessary to develop or implement a new construction program, prepare a Housing Element and Fair Share Plan, and/or administer an affirmative marketing program or a rehabilitation program.

(1) In the case of a rehabilitation program, the administrative costs of the rehabilitation program shall be included as part of the 20 percent of collected development fees that may be expended on administration.

(2) Administrative funds may be used for income qualification of households, monitoring the turnover of sale and rental units, and compliance with COAH's monitoring requirements. Legal or other fees related to litigation opposing affordable housing sites or related to securing or appealing a judgment from the Court are not eligible uses of the Affordable Housing Trust Fund.

94-99. Monitoring

The Borough of Washington shall provide annual reporting of Affordable Housing Trust Fund activity to the State of New Jersey, Department of Community Affairs, Council on Affordable Housing or Local Government Services or other entity designated by the State of New Jersey, with a copy provided to Fair Share Housing Center and posted on the municipal website, using forms developed for this purpose by the New Jersey Department of Community Affairs, Council on Affordable Housing or Local Government Services. The reporting shall include an accounting of all Affordable Housing Trust Fund activity, including the sources and amounts of funds collected and the amounts and purposes for which any funds have been expended. Such reporting shall include an accounting of development fees collected from residential and non-residential developers, payments in lieu of constructing affordable units on site (if permitted by Ordinance or by Agreement with the Borough), funds from the sale of units with extinguished controls, barrier free escrow funds, rental income from Borough owned affordable housing units, repayments from affordable housing program loans, and any other funds collected in connection with Washington Borough's affordable housing programs, as well as an accounting of the expenditures of revenues and implementation of the Spending Plan approved by the Court.

94-100. Ongoing Collection of Fees

A. The ability for the Borough of Washington to impose, collect and expend development fees shall expire with the expiration of the repose period covered by its Judgment of Compliance unless the Borough of Washington has first filed an adopted Housing Element and Fair Share Plan with the Court or with a designated State administrative agency, has petitioned for a Judgment of Compliance from the Court or for Substantive Certification or its equivalent from a State administrative agency authorized to approve and administer municipal affordable housing compliance and has received approval of its Development Fee Ordinance from the entity that will be reviewing and approving the Housing Element and Fair Share Plan.

B. If the Borough of Washington fails to renew its ability to impose and collect development fees prior to the expiration of its Judgment of Compliance, it may be subject to forfeiture of any or all funds remaining within its Affordable Housing Trust Fund. Any funds so forfeited shall be deposited into the "New Jersey Affordable Housing Trust Fund" established pursuant to Section 20 of P.L. 1985, c. 222 (C. 52:27D-320).

C. The Borough of Washington shall not impose a residential development fee on a development that receives preliminary or final site plan approval after the expiration of its Judgment of Compliance, nor shall the Borough of Washington retroactively impose a development fee on such a development. The Borough of Washington also shall not expend any of its collected development fees after the expiration of its Judgment of Compliance.

SECTION 2. At least three copies of said full Ordinance are on file in the Office of the Municipal Clerk for public examination and acquisition. Copies are available for inspection or acquisition during regular weekday working hours and arrangements have been made for the publication of said proposed Ordinance in pamphlet or other similar form which will be available for purchase from the Borough Clerk.

SECTION 3. This ordinance shall take effect upon final passage and publication according to law.

SECTION 4. The Borough Clerk is hereby directed to give notice at least ten days prior to the hearing on the adoption of this Ordinance to the County Planning Board, and to all others entitled

thereto pursuant to the provisions of N.J.S.A. 40:550-15. Upon adoption of this Ordinance, after public hearing thereon, the Borough Clerk is further directed to publish notice of passage thereof and file a copy of this Ordinance as finally adopted with the County Planning Board as required by N.J.S.A. 40:550-16 and with the Borough Tax Assessor.

SECTION 5. All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

SECTION 6. If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions.

THE BOROUGH OF WASHINGTON, IN THE COUNTY OF WARREN, NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring), **AS FOLLOWS:**

The improvement described in Section 3 of this bond ordinance is hereby authorized as a general improvement to be made or acquired by the Borough of Washington, in the County of Warren, New Jersey. For the said improvement or purpose stated in said Section 3, there is hereby appropriated the sum of \$1,300,000, said sum being inclusive of all appropriations heretofore made therefor and including the sum of \$62,000 as the down payment for said improvement or purpose required by law and now available therefor by virtue of provision in a previously adopted budget or budgets of the Borough for down payment or for capital improvement purposes.

For the financing of said improvement or purpose and to meet the part of said \$1,300,000 appropriation not provided for by application hereunder of said down payment, negotiable bonds of the

Borough are hereby authorized to be issued in the principal amount of \$1,238,000 pursuant to the Local Bond Law of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said improvement or purpose, negotiable notes of the Borough in a principal amount not exceeding \$1,238,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Local Bond Law.

(a) The improvement hereby authorized and purpose for the financing of which said obligations are to be issued is the acquisition, by purchase, of new and additional vehicular equipment for use by the Department of Public Works of the Borough, including four (4) dump trucks, together with all equipment, attachments and accessories necessary therefor or incidental thereto, all as shown on and in accordance with the specifications therefor on file or to be filed in the office of the Borough Clerk and hereby approved.

The estimated maximum amount of bonds or notes to be issued for said purpose is \$1,238,000.

The estimated cost of said purpose is \$1,300,000, the excess thereof over the said estimated maximum amount of bonds or notes to be issued therefor being the amount of the said \$62,000 down payment for said purpose.

The following additional matters are hereby determined, declared, recited and stated:

The said purpose described in Section 3 of this bond ordinance is not a current expense and is a property or improvement which the Borough may lawfully acquire or make as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefitted thereby.

The period of usefulness of said purpose within the limitations of said Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is five (5) years.

The supplemental debt statement required by said Local Bond Law has been duly made and filed in the office of the Borough Clerk and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the Borough as defined

in said Local Bond Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$1,238,000, and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

An aggregate amount not exceeding \$50,000 for interest on said obligations, costs of issuing said obligations and other items of expense listed in and permitted under section 40A:2-20 of said Local Bond Law may be included as part of the cost of said improvement and is included in the foregoing estimate thereof.

All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer, acting chief financial officer or treasurer of the Borough (the "Chief Financial Officer"), provided that no note shall mature later than one year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with the notes issued pursuant to this bond ordinance, and the Chief Financial Officer's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. §40A:2-8. The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at public or private sale at not less than par and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the dates of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body of the Borough at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this bond ordinance is made. Such report must include the principal amount, interest rate and maturities of the notes sold, the price obtained and the name of the purchaser.

The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of said obligations and interest thereon without limitation of rate or amount.

The capital budget or temporary capital budget of the Borough is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith and the

resolutions promulgated by the Local Finance Board showing all detail of the amended capital budget or temporary capital budget and capital program as approved by the Director, Division of Local Government Services, are on file with the Borough Clerk and are available for public inspection.
